Dear Potential Sponsor:

In recent years, District funding for our athletic programs has been cut multiple times. California law prevents public schools from requiring students to pay a fee to participate in extra curricular activities, including athletics. The costs to run the athletic program have continued to rise, including the cost of transportation, officials, and fees. The Athletic Booster Club raises money to support all athletic programs. We are reaching out to businesses in the community to help our local high school.

We are hosting a Golf Tournament Fundraiser to benefit the athletic programs offered at Milpitas High School. This year the Golf Tournament is Saturday, May 11, 2019 at Summitpointe Golf Club.
